Dear [REDACTED]

STAT

Many thanks to you and [REDACTED] for your invitation and offer of assistance to our JCS Sub-Committee in staging of a meeting this Fall in [REDACTED]. It is very timely that we consider our next meeting location and I am pleased to have your letters in hand when I talk to the Committee members in the next two weeks. I feel certain that they will want to come to [REDACTED] and would anticipate that they might want to be there for as much as three days in order to complete our business meeting as well as to have a tour through [REDACTED].
